THE FRANKLIN FIVE

PRACTICE HABIT FOUR

Think Win/Win. Interacting with other people can be a real challenge. As you work, play, and plan with others, try to keep their desires in mind and find working solutions that can benefit all parties involved. This isn't easy, but with effort it can be highly rewarding. Make a note in your planner to remind you throughout the month.

REMEMBER MOM

You can never repay your mom for all she's done for you over the years, but you can at least tell her that. This year, make sure she knows you appreciate her and notice her efforts. One gift mom would really love is time with you.

TAKE MORE PICTURES

May is National Photo Month. Now that every smartphone comes equipped with a digital camera, there really isn't an excuse for missing a photo opportunity. Pictures spark memories and create a wonderful record of events. Share photos digitally, or get some of them printed and framed or in a photobook for everyone to enjoy.

DRINK WATER EVERYDAY

Are you drinking enough water? If not, it's time to start. Water is important to our well-being and health. Purchase a new water bottle and keep it full and with you at all times, so it's easier to drink in those precious drops.

PLAN A VACATION

Summer is right around the corner, which makes this the perfect time to plan a getaway. Determine your itinerary now so you can save on reservation fees.
